13 April 2026

Dear Customer,

Important: Price increase effective 20th April 2026

We are writing to inform you of an upcoming change to our pricing. Due to rising global and UK supply chain costs—including significant increases in energy, transportation, and raw materials—our suppliers have implemented price increases across several product lines.

A 15% price increase will apply to all orders delivered on or after Monday 20th April 2026.

While we usually provide a longer notice period, the speed and scale of recent market cost escalations mean we must implement this adjustment sooner to maintain our service levels.

We remain committed to providing you with quality products and a reliable service. If you have any questions regarding your upcoming orders, please contact us.

Thank you for your continued support and understanding.

Yours faithfully

Underground Drainage Supplies Ltd
